Course Description

It is vital that teachers and assessors understand the assessment strategies and quality assurance procedures. This qualification allows the delivery for the assessment of a wide range of vocational qualifications achieved in learners' work environments. The Level 3 Certificate in Assessing Vocational Achievement (CAVA) is the new course that has replaced the old A1\2 and D32\33 assessor qualifications. You must have access to learners to assess to be able to pass the observational elements of the assessment. However, as a training provider, we deliver many courses to many individuals in many sectors so may be able to help you with your assessment requirements.

Topics covered

This CAVA qualification will allow you to assess NVQ's, apprenticeships and any other regulated training in your subject area and covers the following topics:

Understanding the principles, requirements and practices of assessment

Explaining the function of assessment in learning and development

Defining the key concepts and principles of assessment

Explaining the responsibilities of the assessor

Assessing occupational competence in the work environment

Understanding different types of assessment method

Understanding how to plan assessment

Understanding how to involve learners and others in assessment

Understanding how to make assessment decisions

Understanding quality assurance of the assessment process

Understanding how to manage information relating to assessment

Understanding the legal and good practice

How will I be assessed?

You will be allocated a user name and password to log onto the system to upload your work. You will be allocated an assessor who will provide you with regular feedback digitally on the work that you upload. However, you can request a 1:1 if you feel this would be beneficial

Are there any entry requirements?

No, but you will be required to undertake a short initial assessment. You need to be aware this is a level 3 course and as such deals with content at that level, therefore a good standard of literacy is required.
