Course Description

Around 15% of people have a learning difficulty, which means they can find it harder to learn certain skills. If you're looking to improve your understanding and awareness of learning difficulties, this is the course for you. You will learn about a range of specific learning difficulties, including ADHD, dyslexia and dyscalculia. Building your knowledge and learning about characteristics and how specific learning difficulties can affect children and adults in different ways. You will look at the importance of early diagnosis, the various assessment methods available to diagnose specific learning difficulties and how individuals can be supported to gain, start and continue with study and employment. This qualification is suitable for anyone looking to build their knowledge of dyslexia and other learning difficulties

Topics Covered

- Understand specific learning difficulties
- Understand the effects of specific learning difficulties
- Understand the diagnosis of specific learning difficulties
- Understanding supporting individuals with specific learning difficulties
- Understand the context of specific learning difficulties

How Will I Be Assessed

You will be allocated a user name and password to log onto the system to upload your work. You will be allocated an assessor who will provide you with regular feedback digitally on the work that you upload. However, you can request a 1:1 if you feel this would be beneficial

Is There Any Entry Requirement

No, but you will be required to undertake a short initial assessment. You need to be aware this is level 2 course and as such deals with content at that level, therefore a good standard of literacy is required

Eligibility Criteria
