Description

Are you interested in arts and crafts? Perhaps you already consider yourself a crafter, looking to try out new techniques and processes? Or you have no arts & crafts experience but keen to get hands-on and creative, with some international inspiration and fantastic bespoke makes? If so, this is the ideal course for you!

It is an opportunity to be inspired by a variety of international artists, designers and makers, develop your own making skills and gain a recognised NCEF entry 3 level qualification.

You will be taught in a safe and supportive environment by an highly experienced Artist and qualified Art Teacher.

Entry Requirements

You must be a resident of the Liverpool City Region.

This course is ideal for anyone who is interested in art, craft and design.

You will need to undertake a short, simple, initial assessment in English if you don't have an English qualification already. You must be working at Entry 2 level or above to support you accessing the materials and any writing, against the criteria, where necessary.

This course is suitable for anyone just starting out with creativity/making or learners who have a basic knowledge of art & design but wish to develop their confidence, skills and abilities further.

Topics Covered

Contextual studies - glean inspiration from international artists, designers and makers

Designing your own makes, using the materials, equipment and techniques available

Realising your own unique crafts, following demonstrations, using the given materials, equipment, techniques and processes

Develop your practical skills, confidence and self-esteem, in a safe, friendly and creative setting

Please Note

Please note: Halton Adult Learning Service are committed to providing the best and safest learning environment possible. AS part of housekeeping, you will also learn about:

- British Values
- Safeguarding
- Keeping Safe Online
- Prevent & Radicalisation

How will I be assessed?

Throughout the course you will build a body of work, presented as a portfolio for assessment, with your tutors help. There will be some light touch writing, in the form of brief annotations about your inspiration/how you made something/what went well etc. NB. The portfolio is assessed by your tutor against the qualification criteria. Your makes, although they may be displayed for a time, will be yours to take home. You will be given supportive feedback from your tutor, on a weekly basis, to help you develop your skills and ensure you are on track to complete your qualification.

Are there any costs?

There are no costs for this course.

What will this course lead to?

On completion, you may want to enrol onto other creative courses. Details of other courses are available and could include:

- Digital and Creative Media
- Photography
- Further Visual Arts qualifications
